

COMING TO A RADIO STATION NEAR YOU! Call your local station and ask them to carry ArtTheMovieGuy

Art The Movie Guy is a fast paced radio show. Art goes in depth on a wide range of movies. Not only the latest releases but great movies from the past including the Good, the Bad and the Ugly ones. Art has amazing knowledge and insight on thousands of movies and reel gems you missed and need to rent or see at your local art theatre. This is not a movie critic show. Art is a movie fan and a discussion leader on movies. His show encourages listeners to call in and tell everyone about what they like or dislike about a particular movie. It's interactive and lets the listener decide or recommend a movie, not just what a critic tells you.
